The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.mielectricalhealth.org or call 1-855-756-4448. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 1-855-756-4448 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-network provider: $750/person per calendar year; $1,500/family per calendar year; out-of-network provider: $1,500/person per calendar year $3,000/family per calendar year	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Preventive care, hospice, prescription drugs, office visits, and in-network prenatal and postnatal care	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits.
Are there other deductibles for specific services?	No.	You don't have to meet other deductibles for specific services.
What is the out-of-pocket limit for this plan?	In-network: $7,150/person, $14,300/family per calendar year overall (or "TROOP") limit; out-of-network: $7,150/person, $14,300/family per calendar year overall (or "TROOP") limit; $2,000/person, $4,000/family per calendar year in-network coinsurance limit coordinated with TROOP limit; $2,000/person, $4,000/family per calendar year out-of-network coinsurance limit coordinated with TROOP limit	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limit until the overall family out-of-pocket limit has been met. In-network expenses don't apply toward out-of-network maximums.
What is not included in the out-of-pocket limit?	TROOP Limit: Premiums, balance billing, charges by out-of-network providers in excess of BCBSM approved amounts, pharmacy penalties and health care this plan doesn't cover. Coinsurance Limit: expenses excluded from the TROOP limit, copayments, and deductibles.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider?	Yes. See www.bcbsm.com or call 1-877-790-2583 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network-provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your in-network provider might use an out-of-network-provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
